

# MAKING INFERENCES

Instructions: Read the story. Then, answer the questions.

It was Ahmad's first day of school. He stood in front of the gate. His mom was with him. He looked around at the other kids. He saw his neighbor, Agus. They were going to be classmates. He was waving at Ahmad. Agus then ran into the schoolyard. Ahmad started running too but he suddenly stopped. He turned around. His mom smiled at him. Ahmad ran back. He gave his mom a big hug. Then, they said goodbye. Ahmad ran back towards school.

1. What was special about today?
2. How do you think Ahmad feels about the first day of school?
3. Why do you think Ahmad ran back to his mom?
4. How do you think Mom feels about Ahmad's first day of school?
